Under 16, 18 and Senior must use size 5. U14 Epee size 2. Neither British Fencing nor Trinity School, nor the organisers of the competition, nor any official or referee involved in the competition is responsible for these matters, or for any accident, loss or damage to persons or property however caused.

BFA Membership of the British Fencing Association is **compulsory**. If a bfa number is not included on the entry form we receive by the closing date please bring evidence of your membership. The event is a nominated closed event and so social membership through your club will be adequate.

Referees The organisers would be very grateful for any assistance that can be provided in terms of referees and setting up, especially on the Saturday morning with the Jubilee foil. Please get in touch if you are able to assist.

Safety Whilst H&W CFU make every attempt to ensure that the event takes place safely in a safe and secure way, the responsibility for the safety and welfare of young fencers remains with the parent, or nominated responsible adult who is acting in loco parentis for that child. If you, as a parent or coach, bring a child to this event and leave them during the day, you must make sure the organisers are aware of the identity of the responsible adult who is looking after that child.

Region Boundaries in the West Midlands are often fluid as many coaches and fencers fence and reside within different counties. The organisers are happy to accept entries from fencers with a connection to H&W through coach, school, club or address.
